GENERAL INFORMATION

Who is the CPSI?

The CPSI is a Government Component of the Minister for Public Service and Administration, established to identify, support and nurture innovation in the public service, with a view to improving service delivery. The CPSI seeks to celebrate the successes of individuals, teams and departments in the quest for a more effective, efficient and accountable government.

Purpose

The purpose of the 9th Annual CPSI Public Sector Innovation Awards is to promote and encourage best practice in public sector innovation and service delivery. The Awards recognise successful and effective service delivery projects and initiatives that have been achieved through the application of innovative approaches, methodologies and tools.

The Awards provide opportunities for information sharing, learning, partnerships and the replication of successful initiatives.

Eligibility

- The Awards are open to government departments at national, provincial and local levels, the private, academic or CBO/NGO sectors in partnership with government.
- The project must have originated or have been adapted in South Africa.
- The project must be fully implemented and operational.
- The project must demonstrate direct benefits to South Africans.

Categories

Awards will be presented in the following categories:

- Innovative partnerships in service delivery (government with government, private sector with government; CBO/NGO with government).
- Innovative use of Information and Communication Technology (ICT) for effective service delivery.
- Innovative service delivery institutions (e.g. schools, hospitals, clinics, courts, police stations).
- Innovative enhancements of internal systems of government.

After assessing the category winners, the adjudicators will, at their own discretion, select the *Public Sector Innovator of the Year*.

Criteria for selection

Innovation:

- The CPSI defines INNOVATION as:
“The process of transforming an idea into a new or improved product, service, process or approach which fulfills the mandate of government and enhances service delivery”
- Demonstrates newness of the solution in a specific environment (including adaptations).

Impact:

- Demonstrates tangible improvements in the quality of the delivered services, including citizens' satisfaction with the services.
- Demonstrated significant improvements in internal efficiencies within the organisation or the sector.

Sustainability:

- Has been fully implemented and is operational.
- Demonstrates its ability to survive into the future.

Benefits of entering the CPSI Public Sector Innovation Awards
