5. Conclusion

# United Nations Public Administration Network (UNPAN)

## Objective:

*To support development of efficient public administration systems and competency in the public services, especially in developing countries*

- A global **on-line network** on Public Administration and Finance supported by regional partners
- It **promotes knowledge sharing** throughout the world *re* sound public policies, effective public administration and efficient public services
- **Supports capacity-development and cooperation** among the UN member states

# BACKGROUND

- UNPAN is run by the United Nations Department of Economic and Social Affairs (UNDESA) and was established in November 1999.
- UNPAN portal was launched in 2001 and attempts to provide a single window access to a world of resources on public administration information and finance.
- 33 partners (ORCs), worldwide, including the CPSI
- UNPAN portal is currently the most visited UNDESA site.

# Countries covered by CPSI-UNPAN Southern Africa.
