Your partner in development finance

Private sector

- UN Global Compact Network
- National Business Initiative
- Strategic thought leadership
- Capacity building
- Collective action
- Responsible Business Forum

Civil Society

- Strengthen the WG as an effective SDG platform, with a committed constituency
- Promote localization of SDGs by supporting CSO participation in policy mainstreaming
- Raise awareness about SDGs through focused campaigns
- Strengthen CSO engagement in national follow-up and review

african monitor
African voices for Africa's development

Issues for consideration

- National coordinating mechanism at national level
- Link SDGs implementation and monitoring with existing Government programmes
- Tailor-made communication and awareness raising campaigns, incl. language

Thank you
