Government Component:  
Centre for Public Service Innovation  
**REPUBLIC OF SOUTH AFRICA**

To All Prospective Suppliers,

## **REGISTRATION ON THE CENTRAL SUPPLIER DATABASE (CSD)**

The department hereby notifies all prospective suppliers interested to register as a preferred vendor of the CPSI that such registration initiatives must be done via the Central Supplier Database ([www.cds.gov.za](http://www.cds.gov.za)) as established by the National Treasury.

National Treasury on behalf of Government has implemented a Central Supplier Database to serve as the source of all supplier information for all spheres of government with effect from 1 April 2016. This initiative is based on principles of simplification, standardization and automation of the supplier management process.

All prospective suppliers interested in pursuing opportunities within the South African government are encouraged to self-register on the Central Supplier Database. This self-registration application represents an expression of interest from the supplier to conduct business with the South African government. Once submitted, your details will be assessed for inclusion on the Central Supplier Database.

Existing suppliers registered on the CPSI's central supplier database are to provide the CPSI (Ms Otshepeng Selemela via email: [Otshepeng.selemela@cpsi.co.za](mailto:Otshepeng.selemela@cpsi.co.za)) with their CSD supplier number and unique security code as well as any other relevant documentation (not yet electronically verified by the CSD) once successfully registered. Ms Otshepeng Selemela can be contacted on (012) 683 2800 for any additional support in this regard.

Suppliers can access the "Supplier leaflet" on the CPSI website ([www.cpsi.co.za/Tenders](http://www.cpsi.co.za/Tenders)) or alternately <http://ocpo.treasury.gov.za> for any additional information.
